

# Middle School Step-Up Day

Discover the Lourdes Academy Difference

**LOURDES**  
ACADEMY

Our children. Our faith. Our future.

## Who:

Next year's 6<sup>th</sup> graders

## What:

Students are invited to join us the afternoon of January 17 to discover the Lourdes Academy difference.

Students will meet future classmates, interact with our dedicated teaching staff, and learn about the exciting opportunities our middle school has to offer.

## Where:

Lourdes Academy Middle School,  
110 N. Sawyer Street, Oshkosh, WI

## When:

January 17, 2019 from 11:30 a.m. - 2:30 p.m.

## Why Lourdes Academy?

As students enter the middle school years, they are faced with many new opportunities and challenges. At Lourdes Academy, we help students stay grounded in their faith while providing the academic foundation they'll need to succeed in high school and beyond.

## The Lourdes Academy Way

Students, teachers, and staff pledge to live by an honor code, holding themselves to the high standards of our Catholic faith.

## 1 on 1 support

Our small school atmosphere provides the attention and opportunities students need to thrive.

## STEM courses

Partnering with Project Lead the Way, science, technology, engineering, and math (STEM) curriculum is integrated into all grade levels, kindergarten through 12.

## Modified block class periods

Allow for focused learning and flexibility in class activities.

## Athletic and co-curricular activities

Dedicated teachers and coaches lead 12 high-caliber middle school athletic teams and a long list of co-curricular activity groups.

## Every Day is an Open House at Lourdes Academy
