

LOURDES ACADEMY JOB POSTING

Middle/High School

Position: Teacher, Middle/High School Computer Science and Project Lead the Way

Reports to: Principal, MS/HS

Status: Contract

FTE: 1.0

Start Date: August 16, 2021

Summary:

Lourdes Academy Middle/High School has an opening for a computer science and Project Lead the Way (PLTW) teacher beginning with the 2021/2022 school year.

The teaching assignment will consist of sixth grade computer science, seventh and eighth grade PLTW along with high school Introduction to Computer Science (PLTW) and Computer Science Principals.

The incumbent in this position will partner with parents, teachers and administration to foster and promote student learning and moral development through the Green Bay Catholic Diocese curriculum.

This incumbent will have strong leadership skills, is an excellent communicator and can motivate and inspire children in a positive manner. Preference may be given to a practicing Catholic.

Applicant must:

- Hold a bachelor's degree or better from an accredited college or university
- Computer Science or Technology teaching licensure required
- Experience and expertise in teaching technology and PLTW, preferred
- Be able to support, affirm, and uphold, by word or example, the teachings of the Catholic Church
- Have a passion and commitment for a faith-filled education
- Be able to clearly communicate orally and in writing
- Upon employment, be able to pass criminal background check

Candidates should submit letter of interest, resume, three letters of reference and transcripts to:
