

Orientation & Placement Exam Information

In order to be the best prepared, students should bring the following to their orientation day:

1. Either official or unofficial transcript from UW Oshkosh
2. Transfer Information System print out
3. Syllabus

Please note: Students who have taken a math course through CAPP have already taken the UW System Math Placement Exam. They can ask their advisor to access the database for their scores. This should be done well in advance of your orientation date. Please contact your school to alert them that you have taken the exam.
