Life is Beautiful at Lourdes Academy

Lourdes Academy in partnership with our parishes and supporting businesses; Festival Foods, Health Care Credit Union & Walgreens, present the “**Life is Beautiful**” hygiene drive to benefit the Oshkosh Area Community Pantry. Lourdes Academy is coordinating this service project to help our students recognize needs in our own community and empower them to meet those needs.

Items being collected include:

- shampoo
- conditioner
- toothbrushes
- toothpaste
- feminine hygiene products

Place items in collection boxes at through February 4th, 2018. All donated items will be picked up and delivered to the Oshkosh Area Community Pantry on Monday, February 5, 2018.
