Tax Information

Quid pro quo contributions in excess of \$75 are deductible only to the extent that they exceed the value of goods or services provided. For purposes of this provision, quid pro quo contributions are payments made partly as a contribution and partly in consideration for goods or services furnished to the buyer/donor. The buyer's computer printout for each auctioned item—Silent or Live—will serve as a receipt for every item purchased.

Lourdes Academy has attempted to provide a description and the fair market value/good-faith estimate of the value of the goods and services provided at this auction, which are not warranted by Lourdes Academy for tax purposes or for general value. The individual price of \$100 per person to attend the Dinner Auction includes \$30.00 for the cost of the meal. Buyers should consult their tax preparer for additional information.
